

Small Donations. Big Opportunities.

Empowering 1st Responders & Military Volunteers Through Training

North Texas Guard Association (NTXGA) supports those who serve by removing financial barriers to critical education and certification. When training gaps exist, communities are at risk — and we're here to close that gap.

Why This Matters

Many 1st Responders and Military volunteers need certifications that:

- Improve operational readiness
- Strengthen unit capabilities
- Are **not funded by their command**

Even modest training costs can prevent skilled, motivated members from advancing.

Micro-training support makes a real difference.

Our Solution

Micro-Training Loans & Grants

NTXGA provides **small, targeted funding** to help members access:

- Professional training programs
- Technical & vocational certifications
- Emergency response education
- Instructor-level qualifications

Funds are used for **direct payment or reimbursement**, ensuring transparency and impact.

Who We Serve

- Active 1st Responder volunteers
- Active Military members
- Units committed to improving readiness and retention

All participants are active NTXGA members and endorsed by their unit leadership.

Examples of Supported Training

- EMT-B
- Flood & Swift Water Technician (FAST 1)
- Flood & Fast Water Boat Operations
- BLS / CPR / AED
- Oxygen Provider
- Instructor Certifications
- And other mission-critical training

How the Program Works

Unit-Based Education Funds

- Units enroll with NTXGA
- Members join under their unit
- Donations and swag purchases are tracked **by unit**
- Funds raised stay dedicated to that unit's training needs

NTXGA may supplement funds as available.

Service-Based Commitment

Training support is structured as a **loan/scholarship**:

- Funds are paid directly to the training provider or reimbursed
- Members commit to applying their certification skills to their unit
- Service commitment: **12–36 months**, based on course cost
- Command confirmation required

This ensures real return on investment.

How You Can Help

Support Those Who Support Us

You can:

- Become an NTXGA member
- Set up a recurring donation
- Support your unit's education fund
- Purchase unit swag (proceeds go to training)
- Share the campaign with family & friends

No donation is too small to make an impact.

Our Impact

Your support helps members:

- Gain critical, life-saving skills
- Strengthen their unit and community
- Build confidence and leadership
- Improve retention and readiness

When one member succeeds, everyone benefits.
